Sir:

**INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), applicants bring to the attention of the Examiner the document on the attached listing. This Information Disclosure Statement is being filed within three months of the filing date of the above-referenced application.

Applicants submit herewith an English language version of an International Preliminary Examination Report ("IPER") issued in the counterpart PCT application on which the present national stage application is based. All documents listed in the IPER were previously cited by Applicants and submitted to the Patent Office in the Information Disclosure Statement filed December 10, 2004. Applicants submit the IPER at this time since it addresses the relevance of the non-English language documents listed therein.

Applicants respectfully request that the Examiner consider the listed document and indicate that it was considered by making an appropriate notation on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior art." If the Examiner applies the document as prior art against any claim in the application and applicants determine that the cited document does not constitute "prior art" under United States law, applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of such document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
